

MTBO Events

I am planning to organise some low key Mountain Bike Orienteering Events in the next few months. The plan will be to have a short course suitable for families and U14s and a longer course for the 16+ and adults. Controls will be used with Sport ident. Details will follow in the next few weeks but the initial plan (which may change) is as follows:

Saturday 27th July – 10am Culbin. Parking Wellhill Car Park

Saturday 10th August – 10am Quarry Wood

Saturday 24th August – 10am Delnies

Saturday 7th September – 10am Sliue

Friday 20th September – 17.00 Carse of Ardersier

Some areas are under embargo in advance of the World Masters MTBO Championships in 2026 but it is very unlikely that any of these areas will be used.

For further information or if you can offer any assistance please contact Steve by e-mail.
